Shinobue & Kabuki Echoes
Tradition Meets Creation

SATURDAY 23.05.2026 14:00

@ MIM Hofberg 2 Montagne de la Cour 1000

This programme brings together Japanese traditional music and contemporary creation, exploring a dialogue between heritage and the present. Alongside the traditional repertoire, the concert features modern works and arrangements for shinobue and nohkan. The programme also highlights the presence and artistry of women musicians active in today's Japanese performing arts.
